WHO WE ARE

Nonviolent Tiffin is a group of citizens who recognized a need in our community to work to create a more peaceful city. Our outreach extends to all segments of society regardless of age, gender, race, ethnicity, education, social class, or religious and political ideologies. Our members represent a variety of walks of life—local government, law enforcement, media, educators, students, social workers, business, healthcare and more.

Officer Jared Watson and his daughter Lillian crafted our peace pole which is home to hundreds of peace cranes.
